Subject: *Offer to Share Information*

Dear Melissa,

I really enjoyed the opportunity to meet with you along with representatives of all the other MLS's in SE Michigan last Wednesday, January 23, 2008.

At that meeting, I verbally invited all of your representative MLS's to share listing data with MiRealSource in the method that I outlined, which is using a Single Point of Entry program to enter all listings into a RETS compliant Database Repository. The data will be shared from that repository back onto your MLS system. This will enable your MLS to maintain its independence while at the same time offer a complete database.

I am confirming this invitation in writing so that you may present it to your leadership as an official offer from MiRealSource to share information.

If you have any questions or require additional information, please feel free to contact me.

Sincerely,

Virginia M. Bratt  
Chief Executive Officer
