

On the Web

Login from any internet connection to send and receive mail or manage your calendar and tasks.

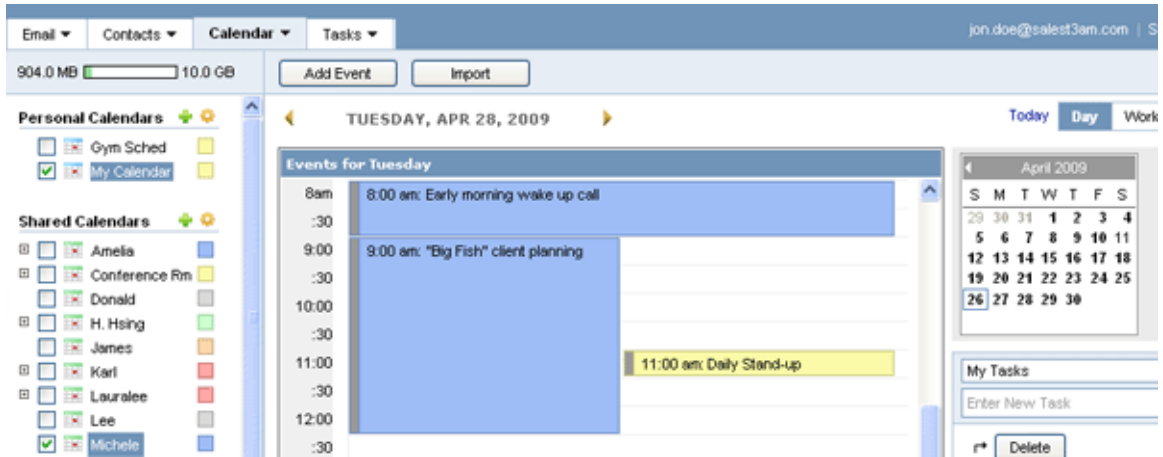

Webmail

Access all the benefits of a desktop program without being tied to the desktop. Log into Rackspace Email from your desktop, laptop or mobile phone and get instant access to email, calendars, contacts, tasks and notes.

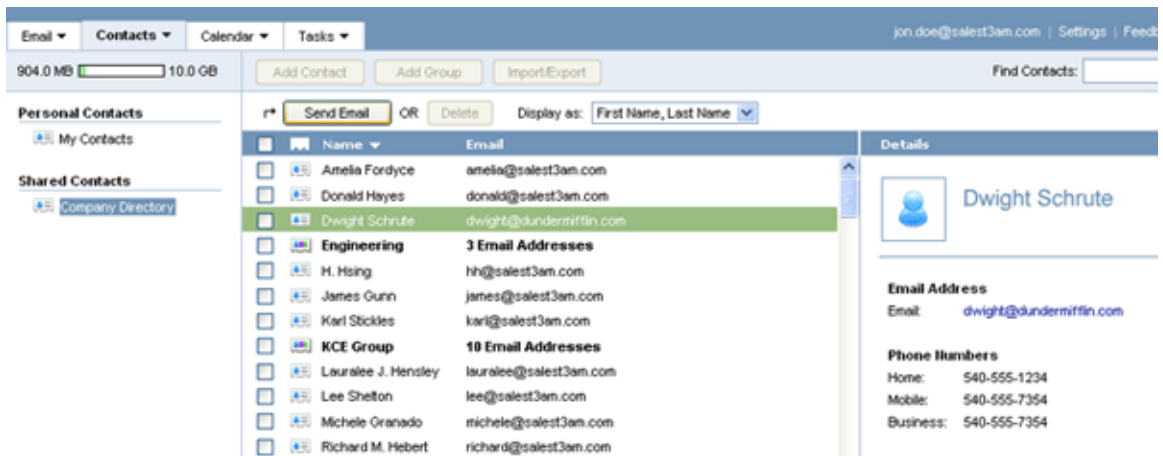

Calendars

All the bells and whistles of a business-class calendar application. Create and manage multiple personal and shared calendars, set reminders and recurrences, and color-code entries for at-a-glance viewing.

Contacts

Create multiple personal or shared contact lists; add photos, multiple phone numbers and email addresses, mailing addresses and notes to entries. Import your existing contact lists from other programs.

Tasks

Standalone task manager right in your inbox. Create multiple task lists featuring individual action items laid out with completion dates, notes area for task details, and tasks even change color to remind you of due dates.

jokes

All those who believe in psychokinesis raise my hand.

The early bird gets the worm, but the second mouse gets the cheese.

I almost had a psychic girlfriend but she left me before we met.

OK, so what's the speed of dark?

How do you tell when you're out of invisible ink?

If everything seems to be going well, you have
